

*I am Prabhakar Sharan living in Panama/Costa Rica. I came with my Post graduate studies and came to pursue my carrier in Costa Rica . I came with a vision to unite the two culture and community and I started to work for the same, I organized cultural events for many years promoting India and introduced Bollywood movies to Latin America . I was the first person to introduce Hindi movies to Central American countries for commercial release. I organized many cultural activities and Hindi films Premiers throughout Central America to spread awareness about our culture and film making. I grave Latin culture and established a bridge between Indian culture.*

*I started my education business in the year 2010, I became the board member and partner of the university where I came to study. Day today I am the president of University Pan Americana. I helped very closely when Embassy of Costa Rica was opening in New Delhi India, and helped Ana Lucia Nassar the First Ambassador of Costa Rica with every details and maintain a good relation till date today with every Ambassador who have been appointed to India and involved them in various cultural activity with my presence..*

*I executed many cultural events in sports and entertainment like WWE, AND MONSTER JAM, I did a few films and finally, I planned first Bollywood style Latin American movie "Enredados La Confusion" which was shot at many places, including India, Panama, Costa Rica, with the support of more than 1200 people from Latin America and India. Due to "Enredados La Confusion" a huge market has opened for Indian producers and vice-versa. I developed a new market for Indian cinema which was totally untouched by people of Bollywood. I directed and acted and become **First Indian Citizen to work in Bollywood Latin American Spanish movie.***

*From last 3 years to give our society back I have started with a mission to stop human smuggling which has brought our country a bad name internationally. I have helped many countries citizens who got convicted in human smuggling while transported to USA illegally.*

*I am working directly with Latin American countries **Government and Ambassadors** to help stop and reduce human smuggling from India. We are very grateful to project this idea as a feature film "**BOREDRS WITHOUT LIFE**". **We have got a confirmation from**" **Government of India Ministry Of External Affairs for their support.***

***Recently, I am elected and working as Vice President of Indo Latin American Chamber of Commerce, which is the only Chamber working with Latin American Countries in India at New Delhi. (Approved by Ministry of external Affairs and Ministry of commerce.)I am also promoting our game kabaddi on international level and I am appointed as treasurer for World Kabaddi Federation. Currently I am working very closely with Panama and Costa Rica Government to bring right projects and create opportunity which can benefit and create opportunity for both sides.***

*I am also elected as Miss India worldwide franchise partner for Panama Costa Rica to promote our Indian culture in Latin America and I perform as "**Judge at the panel of Miss India World**" which happens from last 36 years in USA,*
